##### St. Peter's 2026 - Tot:	6 I was here at 2 pm got no phone call called at 2 30 and was told it may be late. Now 4 pm still no phone call from

me & also said if my symptoms do not go away fully after my prescription to arrange a follow up appointment as i might need more tests.

when the symptoms first started a trip to A&E would have been avoided and the condition may not have been so severe. However; thank you.

ame day about needing to book for my asthma review. I thought the appointment WAS for an asthma review ? But, I tried cancelling it.

On arrival I discovered that the blood test was the same as one I had had a week before. NOBODY had read the LAST post in my notes.
